Rules and Regulations for 4-H Horse Judging Contests

Contestants and Eligibility

1. Teams may be selected by any procedure which a county or area deems appropriate. It is recommended that selection procedures, in writing, be made available to all interested parties and participants.
2. At the Colorado State 4-H Conferences State Senior Horse Judging Contest, contestants must have past their 14th birthday and be no older than 18 as of midnight December 31 of the previous calendar year.
3. Contestants must be enrolled in 4-H in the county or area they represent or combined in accordance with state 4-H policy prior to April 15 of the current year.
4. At the Colorado State 4-H Conferences Horse Judging Contest 4-H members may compete as individuals from counties that do not have full (3-4 members) judging teams and are eligible for individual awards only. Individuals must be properly entered in the contest.
5. At county contests, it is at management's discretion as to whether or not to allow combining of members from different counties in order to form teams, for the purpose of team awards.
6. Colorado State 4-H Conference is a multi-dimensional educational and leadership event which has many opportunities for learning, competition, and socializing. Therefore, all contestants must register for State 4-H Conference and participate full-time, in order to be eligible to compete in the state contests.
7. Teams and individual members of that team, who have competed at The National 4-H Contest (National Western Round-up and Horse Classic), as the official Colorado 4-H Horse Judging entry are considered to be ineligible to compete again on a horse judging team at the State 4-H Conference. However, they are eligible to compete as an individual in future years.
8. Contestants in National 4-H competitive events must not have participated in official post-secondary (university, college, junior college or technical school) competitive events, of a similar nature in the same subject matter area to be eligible for participation in National 4-H competitive events. Neither can that individual be a member of a postsecondary team undergoing training in preparation for a post-secondary event of the same nature. For example, a contestant who has competed in an official collegiate horse judging contest, either on or off campus, is ineligible to compete in a similar National 4-H horse judging contest.

9. Alternates will be eligible to judge for individual awards.

10. Members of past state champion teams or members who have represented Colorado at the National 4-H Horse Judging Contest, may continue to compete at 4-H Horse Judging contests, as individuals, for individual awards only.

11. Teams or individuals who win a state competition in more than one contest area may continue to compete in the contest area(s) in which they did not represent Colorado at the 4-H National Contest.

Method of Conduct

1. A team may have three (3) or four (4) members; when four (4) are entered, the three (3) highest overall scores will be used for the team totals.
2. Contestants shall wear no clothing, accessories or other marks of identification which may reveal his or her identity or the county or club represented while giving oral reasons. Hats are prohibited in the judging arena and in the reasons rooms.
2. While the contest is in progress, there shall be no conferring between the contestants or between contestants and anyone else, except as directed by the contest superintendents or their representatives. The use of cell phones or other mobile electronic devices is prohibited during any part of the contest.
3. Contestants are responsible for their own writing instruments and notepads for the purpose of taking notes for reasons classes. There will be no prohibition against contestants using pre-printed score sheets and rule books during the contest. However, reasons should be given without notes. The use of notes while giving reasons will be penalized.
4. Three (3) to six (6) halter classes will be judged. The following breeds may be represented in the halter classes: American Saddlebred, Quarter Horse, Thoroughbred (Hunters), Appaloosa, Arabian, Paint, Morgan, Tennessee Walkers, Draft Breeds and/or Miniatures and so forth. Contestants will give oral reasons on one or two halter classes. All halter classes will be judged as sound of limb, eye, wind, mouth and reproductive organs.
1. 5. Four (4) to seven (7) performance classes will be judged. The performance classes will be chosen from Western Pleasure, English Pleasure, Hunter Under Saddle, Hunt Seat Equitation, Saddle Seat Equitation, Pleasure Driving, Western Riding, Reining, Western Horsemanship, Show Hack, Hunter Hack, Trail, and Working Ranch Horse Division classes. Oral reasons will be required on one or two performance classes. Officials may excuse any horse from a class if they deem it to be lame. In this event, the excused horse should be placed last on the contestant's card. The remainder of the class will continue to be judged once the lame horse has exited the arena. All tack and attire will be considered legal as long as it is used in accordance with the current 4-H rule book.
6. In order to prepare our members for future contests outside the state of Colorado as well as collegiate judging, classes will be judged or scored in accordance to the

appropriate/applicable rule book i.e. AQHA, USEF or NRHA. AQHA Rule Book will be the default rule book for all Stock Breed Classes with the exception of Reining.

7. The horses and attendants will be designated by numbers 1-2-3-4 and numbered from left to right, as viewed from the rear.
8. Horses will not be handled by the contestants, but time will be provided in halter classes for close inspections. All horses in halter classes will also be observed at a walk and trot.
9. Fifteen (15) minutes will be allowed for the contestants to judge halter classes.
10. The number of reasons to be given is at the discretion of the contest management. Typically, seniors give 2-4 sets, while juniors give 1-3 sets at the various county contests. At the State 4-H Horse Judging Contest, seniors will give four (4) sets of reasons and juniors will give three (3).
11. Two (2) minutes will be allowed contestants to give oral reasons to the judge. They may or may not be timed, at the contest superintendent's discretion. If it is decided that reasons are to be timed, it must be announced prior to the contest and a timer provided for each reasons taker. When reasons are timed, penalties for going over time should follow the penalty scale outlined in the National Horse Judging Team Coaches Association Handbook. Contestants are not permitted to use notes while giving reasons; placing cards may or may not be available to them, upon entering the reasons room, at the contest superintendent's discretion.
12. All tack and attire will be considered legal, providing it is used properly according to the current applicable Rule Book.

Contest Superintendents

1. It shall be the duty of the contest superintendent(s) to see that all applicable rules and regulations are observed.
2. The superintendent may have a committee to assist them.
3. The superintendent will take no part in scoring the contestants.
4. The superintendent shall have charge of all records and shall have all placing cards scored, tabulated and totaled. Reasons scores shall be tabulated appropriately. It is recommended that the superintendent keep all placing cards, records and results for a minimum of one year, following the contest, so that they may be referred to, if necessary. At the state contest results should be kept on file for at least 6 years, so that contestant eligibility can be checked accurately.
5. The superintendent **will be responsible for all cuts** (after receiving placing cards from contest officials with recommended cuts for each class) on official placings.
6. A written copy of contest results, including official placing and cuts shall be provided to all coaches either immediately following the contest or within 5 business days and shall be held by management for one year subsequent to the contest for possible review.

4. Each official shall place the classes independently of each other from the same vantage points as the contestants, while the contestants are viewing the same classes. The judges shall enter their own placings on their own placing card, indicate their suggested cuts and then file that card with the superintendent for final review and approval. Referee judges(s) may be used at the discretion of the superintendent(s). **Officials shall mark their cards independently, place the classes and turn in their individual placing card before conferring with other officials.**

Protocol for Teams to Compete in other National Contests:

Competing in National Contests

The State Champion Team from the state 4-H contest is expected to represent Colorado 4-H at the National 4-H Contest in January of the following year, in Denver (Western Round-up). Colorado 4-H members are not eligible to attend the Eastern National Horse contests in Louisville KY. However, the high team may select two additional national contests such as contests held by various breed associations. Please contact the contest organizers for further details and entry limitations. This team must designate the two contests they have chosen by July 1st of the year they win the state contest. The coach of the winning team is responsible to notify the coach of the second place team, the state 4-H Equine Extension Specialist and the State 4-H Contest Superintendent of their contest choices by **July 1st**.

The Reserve State Championship team from the state 4-H contest may represent Colorado 4-H at two National contests, after the State Champions have made their selection. The coach of the second place team is responsible to notify the coach of the third place team, the state 4-H Equine Extension Specialist and the State 4-H Contest Superintendent of their contest choices by **July 10th**.

The third high team from the state contest may represent Colorado 4-H at one National contest after being notified of the intentions of the state champion team and reserve champion team.

4-H team coaches are welcome to take their teams to any National contest where there is no limit imposed by the contest on the entry of 4-H teams by each state. In any contest where the entries of 4-H teams are limited, the above protocol regarding eligibility **must** be followed. Only when a contest has not been selected by the first three placing senior teams at the state contest, may unranked teams be entered to represent counties in the Colorado 4-H Program.

When considering out of state travel with junior 4-H members please check with your County Extension Agent on county and state policies. Generally, juniors do not go on national trips, unless there is a case where a junior is used to fill a senior team i.e. no other seniors from that county are available. However, coaches, parents and the junior member should give this decision great consideration, as the junior would then be subject to the same eligibility restrictions outlined below.

Only the team representing Colorado at the National 4-H contest at Western Round-up is ineligible for further competition as members of a 4-H Team at a 4-H county or state contest. Members may continue to compete, as individuals, in contests that include individual competitors or as members of national teams competing in breed association contests so that they may further develop their skills. Horse Bowl is strictly a team event by nature and does not allow for individuals to compete.
