Colorado State 4-H Conference

Contest Superintendent: Travis Taylor
Lincoln County
Extension Director

Eligibility:

- A. Each county is allowed only one entry in the State 4-H Parliamentary Procedure event each year. An entry is a team where total team scores are computed and recognition given to the team.
1. One team per county—up to six members, but no less than 4.
- B. Entries not officially entered will not be permitted to participate for any reason.
- C. The eligibility requirements to enter a State 4-H Competitive Event are:
1. All contestants must be Colorado 4-H Senior members during the year in which the Competitive Event is held.
 2. The contestant(s) and team(s) must be certified as the official entry by the County 4-H staff or by a person designated by the County 4-H staff. The individual(s) and team(s) may be selected by any procedure the County believes is appropriate.
 3. Any member that has previously participated at a Western Roundup 4-H parliamentary procedure event (this includes alternates) will be declared ineligible to compete. Any ineligibility of a member determined after the contest begins will disqualify that member and the entire team that member is registered with for the contest in question.

Procedures:

- A. Each team will consist of four to six members: president, vice president, secretary, treasurer (at a minimum). Additional team members can be any position, such as reporter or recreation leader, or just act as members of the club. Officer positions are determined by the team in advance, not drawn for on the day of the contest.
- B. Teams will present a model meeting not to exceed 20 minutes in length. Points will be decided as listed on the score sheet. For every minute over the 20 minute limit, 10 points will be deducted (i.e. over 20 minutes, 10 deduction; over 21 minutes 20 point deduction, over 22 minutes 30 points, and so on).
- C. Each team will provide its own minutes, treasurer's report, one letter of communication, and one committee report.
- D. Teams will be presented the meeting problems in the preparation room, and will be given 20 minutes to discuss and prepare. Meetings will have three problems in new business, requiring the use of nine different
